

Improving your identification technology with ID-WORKS INTEGRATOR

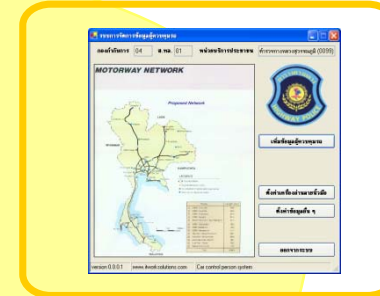

Fingerprint Identification Technology

Time-Attendance System

Documents Ownership Identification System

Drivers inspecting System

Physical/Logical Access Control Systems

- Membership Management Systems
- Internet/Financial Transaction Authentication
- Etc.

Creating your solutions with Fingerprint identification technology

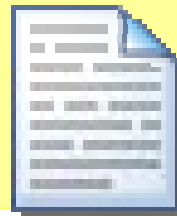

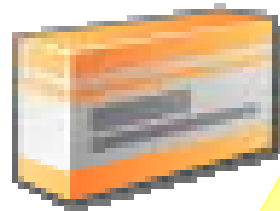

Improving your identification technology with

ID-WORKS INTEGRATOR

Fingerprint Identification Technology

ID WORKS Integrator 1 ชุดประกอบด้วย

- **ID WORKS Integrator SDK Library**
- **คู่มือการใช้งาน และตัวอย่าง Source code**
- **เครื่องอ่านลายนิ้วมือ Digital Persona U.are.U 4000B**

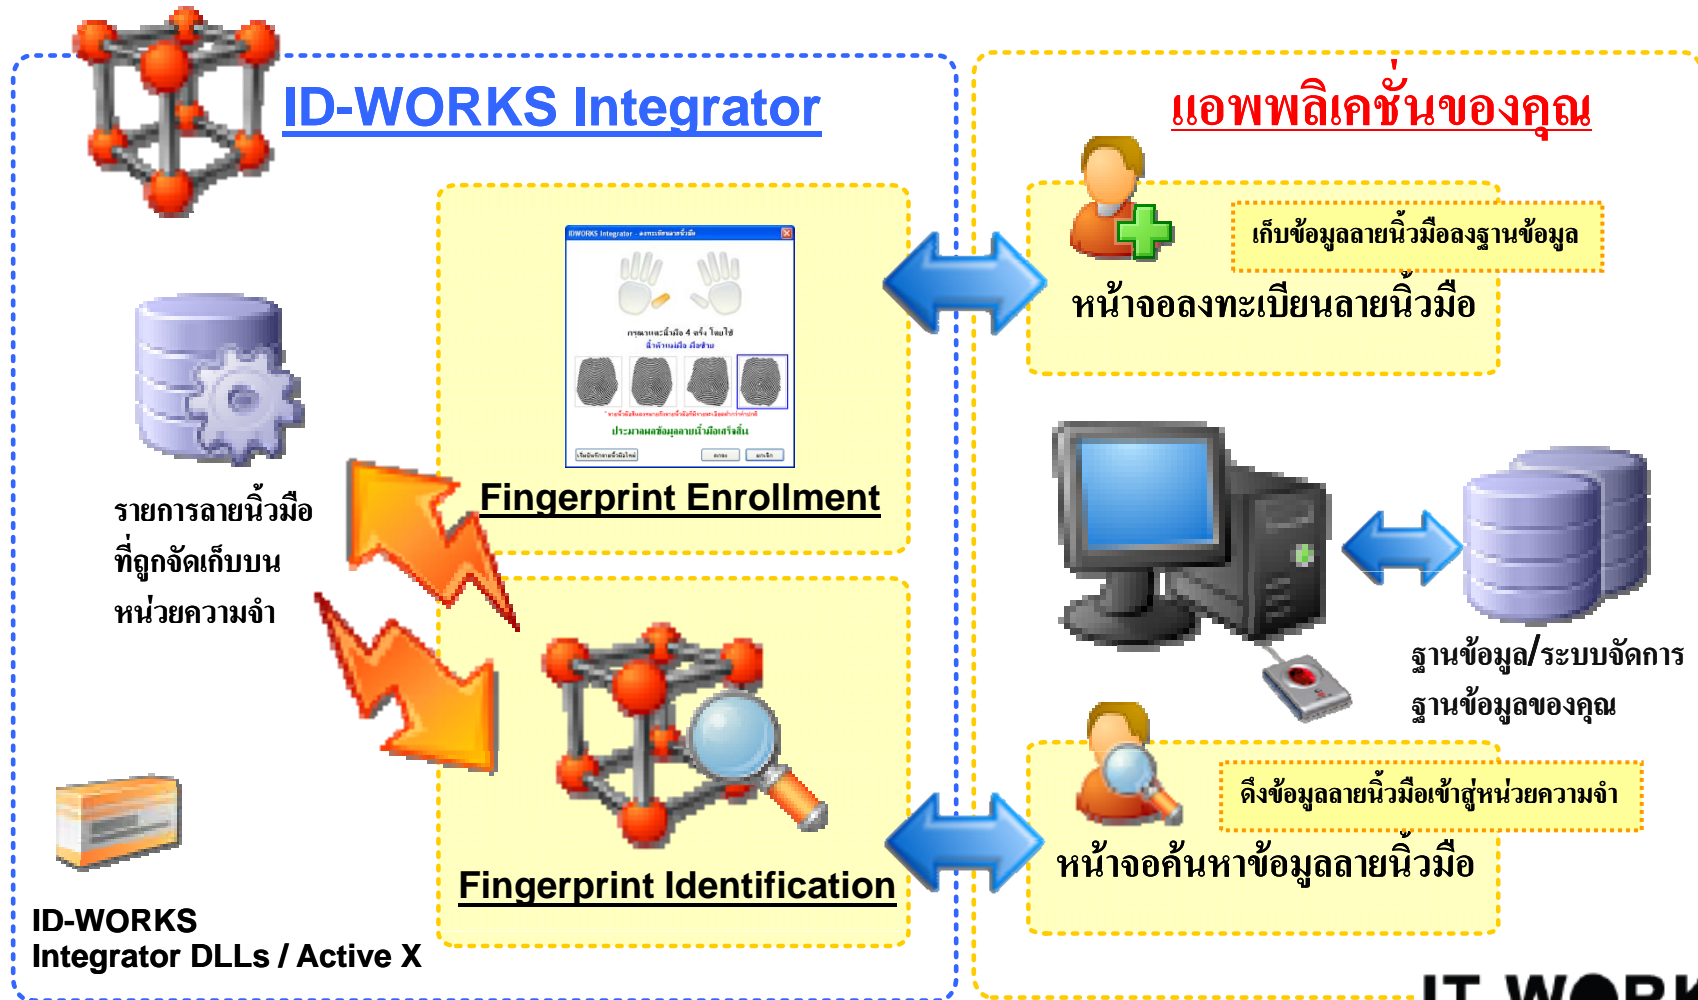

Enhancing your existing solutions with

ID-WORKS INTEGRATOR

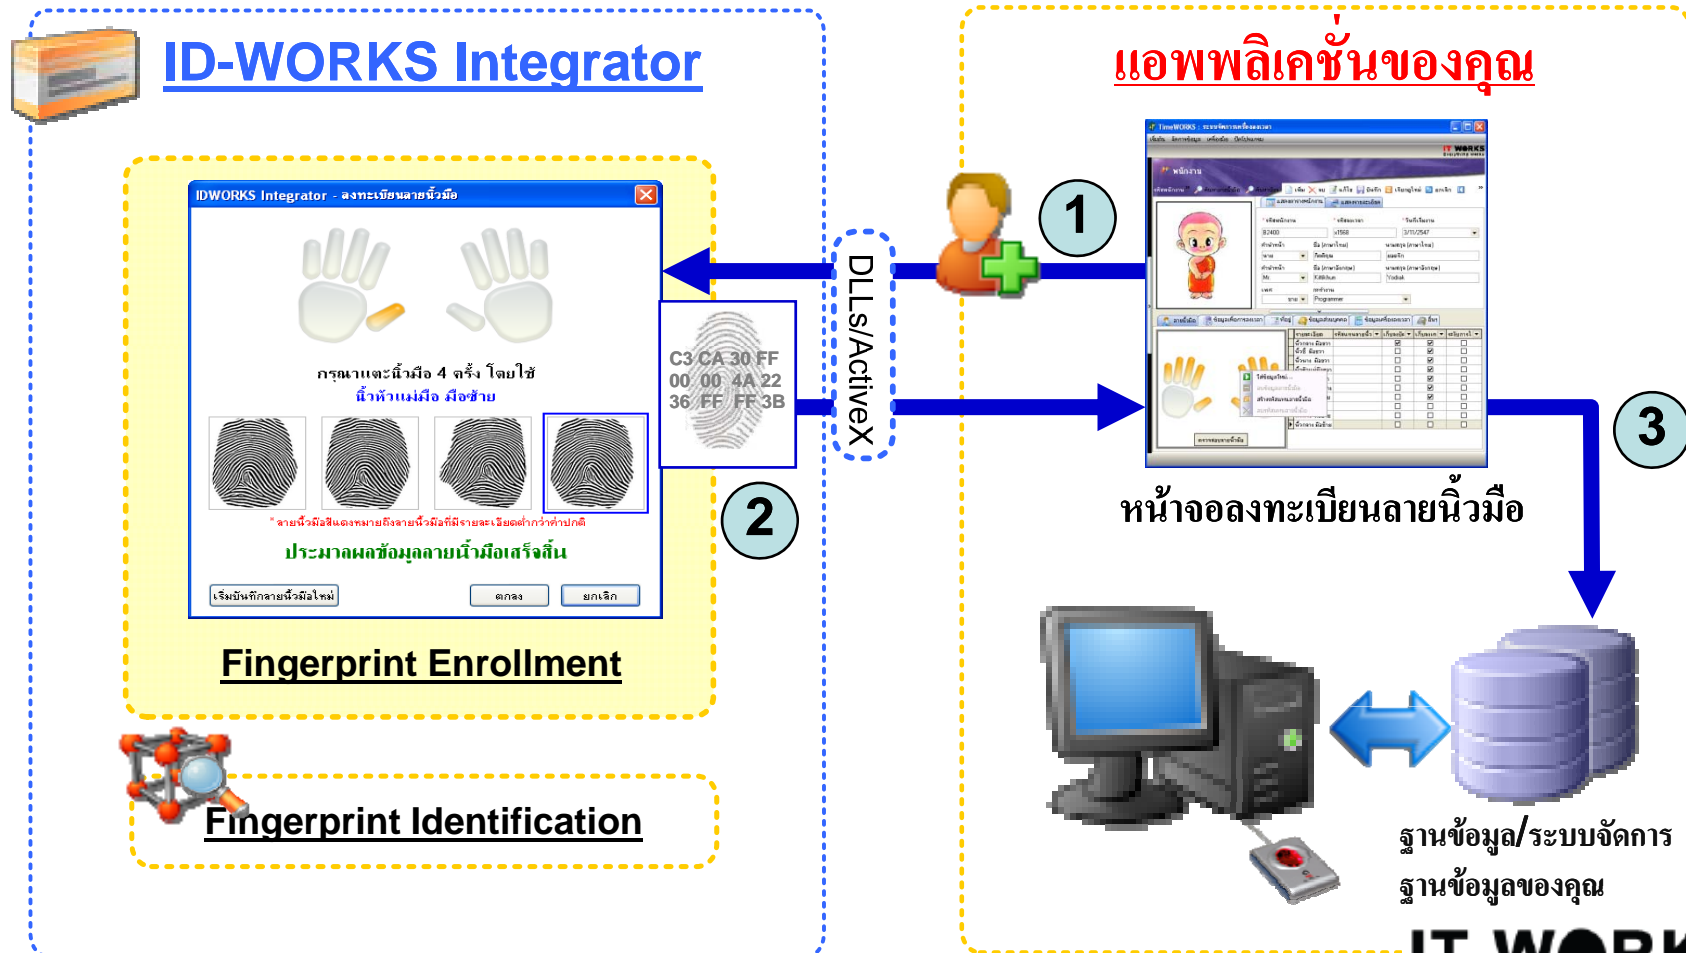

Fingerprint Identification Technology

Enhancing your existing solutions with ID-WORKS INTEGRATOR

Fingerprint Identification Technology

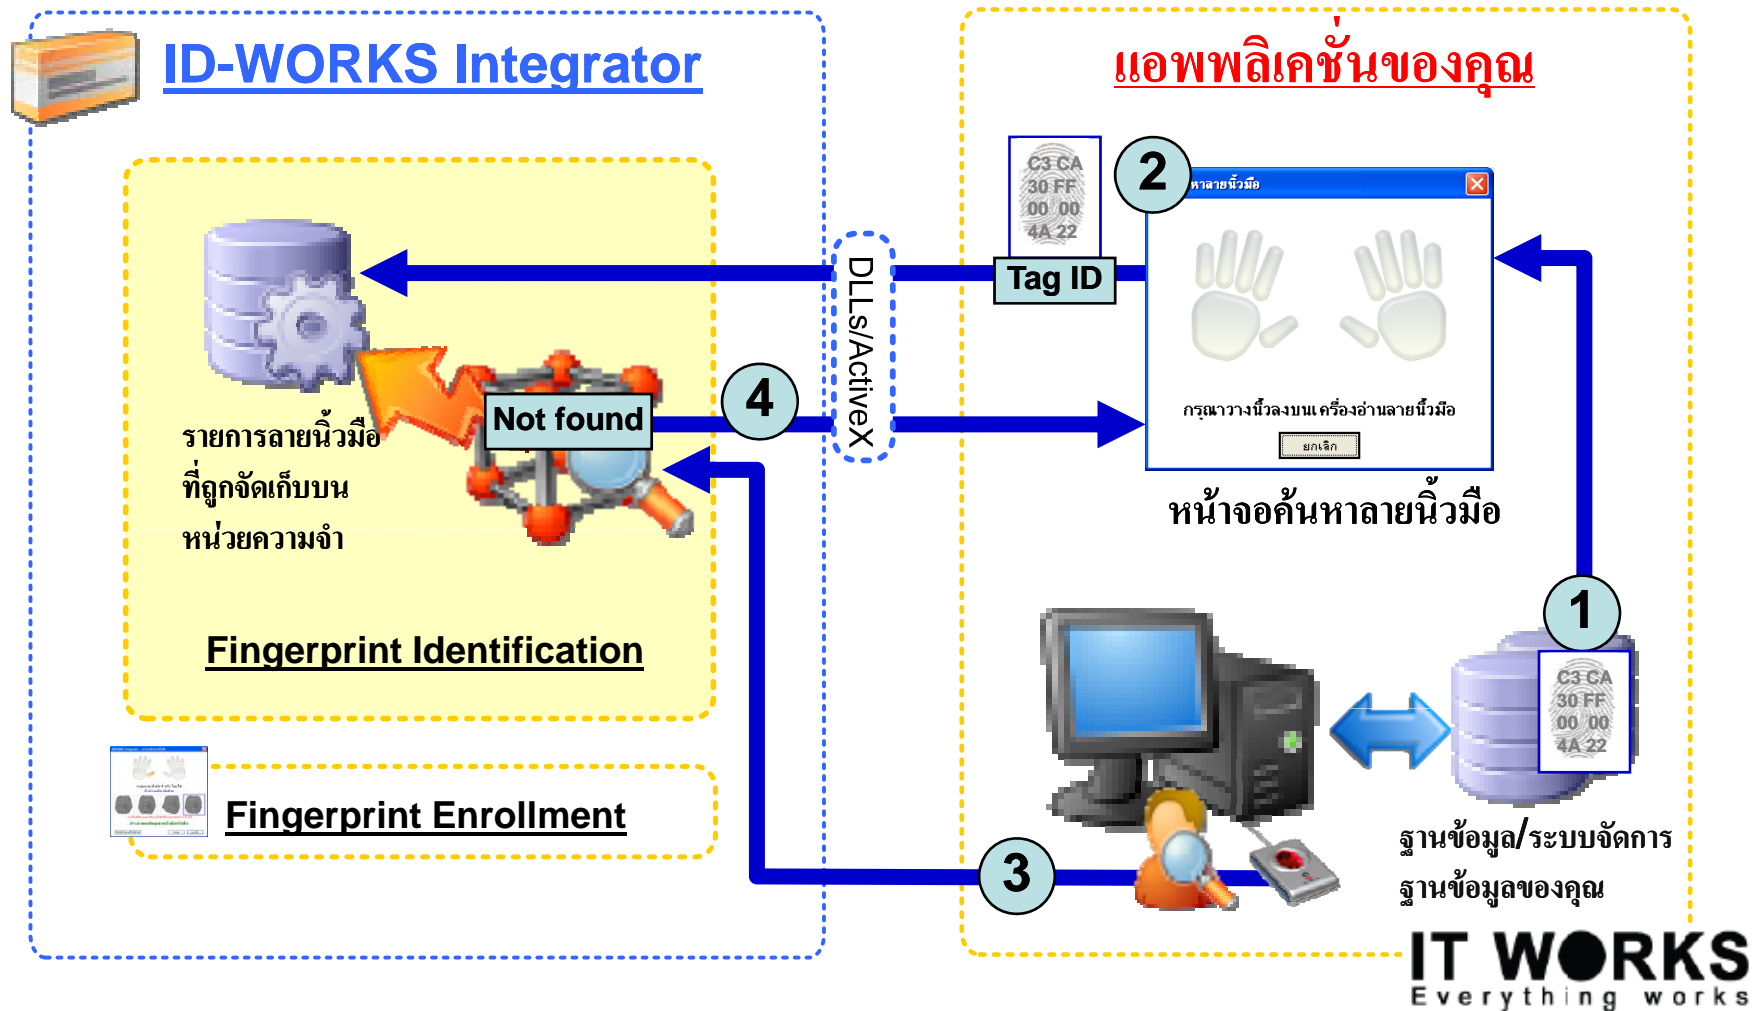

Enhancing your existing solutions with

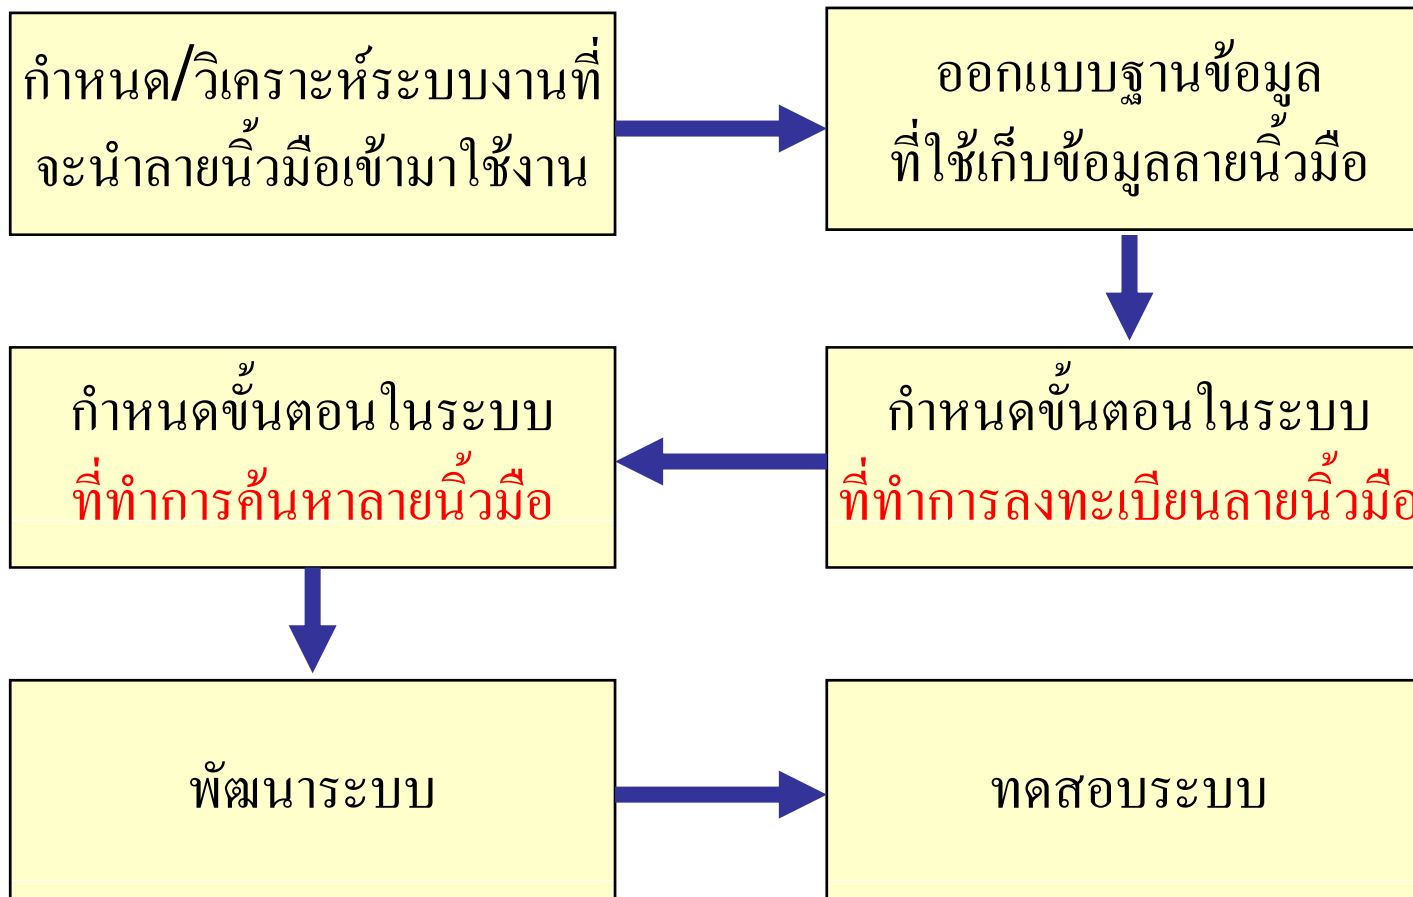

ID-WORKS INTEGRATOR

Fingerprint Identification Technology

Implementing identification application with **ID-WORKS INTEGRATOR** Fingerprint Identification Technology

Demonstrating to create sample application with

ID-WORKS INTEGRATOR

Fingerprint Identification Technology
